

## **Career Information Service Portal**

This portal facilitates registration of job seekers, job providers, skill providers, career counsellors, etc. The portal provides job matching services in a highly transparent and user friendly manner. These facilities along with career counselling content will be delivered by the portal through multiple channels like career centers, mobile devices etc. The webpage would be capable of meeting the varied demands and requirements of the youth for information on education, employment and training and will be supported by a multi lingual call center. The portal will also make available information on local service providers available to house hold and other consumers for services like driving, plumbing, carpentry, etc
